I would like to recommend Marco Campa as a candidate for a position with your organization. In his position as Job Captain, Marco was employed in our office from January to July 2009. Marco did an excellent job in this position and was an asset to our organization during his term with the office. He has excellent written and verbal communication skills, is very well organized, can work independently and is able to follow through to ensure that the job gets done.

During his time with Stong and Associates, Marco committed to his work in a highly responsible manner, he coordinated various projects with different agencies and team members in all different phases, Marco was also in charge of some design, drafting and coordination with projects including: retail stores, single family residence projects, commercial projects such as: auto dealership remodel, new office buildings, office additions and tenant improvements.
